Matt Vee along with cousins Jeff & Tommy Vee, local music scene veterans and sons of the legendary Bobby Vee, join forces with their family and friends as the Killer Vees to celebrate the music from a timeless catalog. With songs like Crackli’ Rosie, Song Sung Blue, and Sweet Caroline, Neil Diamond sold over 100 million records worldwide with music that became the soundtrack to one generation after another with hits spanning five decades. As a Tin Pan Alley song writer in the mid 60’s, he penned songs recorded by everyone from Elvis Presley to Deep Purple and of course, the Monkey’s classic I’m a Believer. “This is not a tribute show,” Tommy Vee said. “This is a celebration of an amazing musical icon; one we all love and respect. We have been fans since we were in grade school and first learning our respective instruments and played many of these tunes over the years in various bands. We have recruited an incredible group of singers and players and have gone back to the original records it is all about the vocals and Matt nails it. It’s a Rockin’ Show!!” **Lunch Included**
